

A satellite map showing a patchwork of agricultural fields in various shades of brown, tan, and green. A yellow pushpin is located in the upper left quadrant, with the label 'Pusztáotlaka' positioned directly below it. An orange line with circular markers at each vertex traces a path across the fields, starting from the pushpin, moving east, then south, then west, then north, and finally east again. The path consists of six segments connecting seven circular markers.
